## SUMMARY

Software Engineer with hands-on experience across the full development lifecycle, including requirements analysis, design, coding, testing, deployment, and documentation. Skilled in building and deploying web applications using modern JavaScript frameworks, REST APIs, and cloud-based, containerized environments. Familiar with Agile workflows and exposed to DevSecOps concepts such as CI/CD pipelines, secure authentication, and Docker-based deployments. Strong collaborator with a focus on producing maintainable, well-documented software.

## SKILLS

- **Languages:** JavaScript, HTML, CSS, SQL
- **Frameworks & Libraries:** React, Node.js, Express.js, Mongoose, Tailwind CSS
- **Tools & Version Control:** Git, GitHub, Postman, VS Code
- **Databases:** MongoDB, MySQL
- **Cloud & Deployment:** AWS, Render, Vercel, Docker
- **Other:** JWT Authentication, Agile Development, Rest APIs

## PROJECTS

<u><a href="#">Job Application Tracker</a></u>   <i>MERN, Docker, Render, Vercel, Firebase</i>	<b>Sep 2025 – Ongoing</b>
<ul style="list-style-type: none"><li>• Designed and implemented a full-stack job tracking application with CRUD functionality and secure authentication.</li><li>• Built RESTful APIs using Express and MongoDB Atlas, ensuring reliability and scalability.</li><li>• Containerized backend and deployed through Docker, Render, and Vercel with integrated CI/CD.</li><li>• Conducted full documentation and end-to-end testing for deployment stability.</li></ul>	
<u><a href="#">Portfolio Website</a></u>   <i>React, Vite, Tailwind CSS, Vercel</i>	<b>June 2025 – Ongoing</b>
<ul style="list-style-type: none"><li>• Developed a personal portfolio site to showcase technical projects and front-end proficiency.</li><li>• Customized design using Tailwind CSS utility classes for responsive, accessible UI.</li><li>• Deployed via Vercel with a custom domain and optimized build performance.</li></ul>	

## CERTIFICATIONS

- AWS Certified Cloud Practitioner **July 2025**
- Axelos ITIL Foundations **Aug 2025**

## EXPERIENCE

<b>Barista</b>   Rulu Coffee	<b>Mar 2024 – Ongoing</b>
<ul style="list-style-type: none"><li>• Delivered consistent, high-quality service while managing multiple concurrent tasks in a fast-paced environment.</li><li>• Collaborated cross-functionally to streamline workflows and reduce customer wait times.</li><li>• Strengthened adaptability and problem-solving skills under pressure — directly transferable to development team environments.</li></ul>	

## EDUCATION

<b>Western Governors University</b>	<b>Graduated Oct 2025</b>
<b>Bachelor of Science in Software Engineering</b>	

*Relevant Coursework: Data Structures & Algorithms, Databases, Cloud Computing, Software Testing & QA, UI/UX Design*
