## WORK EXPERIENCE

**FlameStone American Grill – Trinity, FL**

02/2021 – 06/2021

**Busser:** Responsible for keeping tables clean both during and after customers are dining.

- I scanned and walked throughout the restaurant to ensure tables didn't have finished plates taking up table space.
- Quickly and efficiently cleaned tables so that they could be filled with the next group of customers.

**Food Runner:** Assisted servers by taking heavy trays of food to their table and serving them if necessary.

- Trays of food weighed up to 60 pounds and were required to be carried out on one shoulder while maneuvering through tightly knit tables.
- Had the ability to take on the role of a server and promptly bring out food for customers.

**Tableside Guacamole:** Wheeled a cart to the customer's table and made customized, fresh guacamole for them while holding entertaining conversations.

- Balancing all the roles necessary, while keeping an organized cart of ingredients that was ready to go whenever an order came in.
- Multiple regulars always requested me to make their dish due to a combination of my fun attitude/conversation skills and ability to adapt to whatever order they'd like.

**RULU Coffee – Trinity, FL**

03/2024 – Present

**Point of Service:** Responsible for taking orders and having enjoyable conversations with the customer

- Assisted customers who were inexperienced with coffee preferences
- Quickly and efficiently communicated their order to baristas on bar

**Barista:** Responsible for making drinks/various food items

- Learned over 100 possible specialty drinks and various combinations

- Deep understanding of what makes a shot of espresso taste pleasant and how various factors contribute to the shot's success

## EDUCATION
